

EMBASSY OF JAPAN  
WASHINGTON, D. C.

Washington, June 6, 2012

Excellency,

I have the honor to refer to the agreement between the Government of Japan and the Government of the United States of America concerning the cooperation between the Japan Aerospace Exploration Agency and the National Aeronautics and Space Administration of the United States of America on the X-ray Astronomy Satellite (ASTRO-EII) Project (hereinafter referred to as "the Project"), which was effected by the Exchange of Notes dated June 10, 2005 (hereinafter referred to as the "Agreement").

In consideration of the continuing mutually beneficial relationship between the two Governments in the field of peaceful exploration and use of outer space; taking into account the Agreement between the Government of Japan and the Government of the United States of America on Cooperation in Research and Development in Science and Technology, signed at Toronto on June 20, 1988, as extended and amended; and reaffirming that the provisions of the Agreement between the Government of Japan and the Government of the United States of America Concerning Cross-Waiver of Liability for Cooperation in the Exploration and Use of Space for Peaceful Purposes, signed at Washington on April 24, 1995, and the Exchange of Notes of the same date between the two Governments concerning subrogated claims shall apply to

the Project, I have further the honor to propose, on behalf of the Government of Japan, that the Agreement shall be extended for a period of five years from June 10, 2012.

I have further the honor to propose that, if the foregoing is acceptable to the Government of the United States of America, this Note and Your Excellency's Note in reply shall constitute an agreement between the two Governments, which shall enter into force on the date of Your Excellency's reply.

Accept, Excellency, the renewed assurances of my highest consideration.

For the Ambassador Extraordinary  
and Plenipotentiary of Japan

Her Excellency  
Hillary Rodham Clinton
